

The background is an abstract collage of various colored papers (yellow, green, red, blue, black, and grey) with circular and irregular cutouts, creating a layered, torn-paper effect. A large white circle in the center serves as a backdrop for the main text.

ABOUT WASSERMAN PROJECTS FUND

Established in 2021, Wasserman Projects Fund was born out of years helping artist's realize projects that wouldn't otherwise be possible and learning our most meaningful impact was beyond the experience of the exhibition. The Fund grew from years of creating ad-hoc residencies, helping artists and designers flourish from recent graduates to entrepreneurs, and partnering to expand creative opportunities for local artists.

Wasserman Projects Fund is driven by partnerships to fuel our performing arts series, site specific exhibitions, educational tours, and mentorship program to further our impact in the local arts economy.

SINCE 2021 WE'VE FOCUSED ON...

CHAMPIONING CREATIVITY

- Site Specific Installations of New Work
- Dozens of Performing Arts Concerts and Events

ECONOMIC EMPOWERMENT

- Artist Assistants in Residence
- Job Opportunities + Art Sales for Emerging Detroit Artists

BREAKING BARRIERS

- Collaborative Partnerships to Uplift Emerging Detroit Artists
